The Fourth Annual Convention of the Southern Commercial Congress at Nashville April 8 to 10 will have for its principal topic "The South's Educational Recovery."

Wonder if Mrs. Wiley would deprive the average husband of the pleasure of giving his wife everything she wants and of paying her bills without reading them over?

Robert Sampson Lanier, one of the editors of the Review of Reviews, is dead in New York. He was a son of Sidney Lanier, the famous Southern poet, who lived at Macon, Ga., for many years.

A Girls' Friendly Inn, a social living house for girls who work, has been started in Louisville. It is not a boarding house, nor an institution. It is an inn, in for the girl—not out reading them over?

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one remedial disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

for profit. The house itself at 219 East Chestnut Street, is an old-fashioned, three-story, stone front, setting well back from the street, looking comfortable and well kept. Miss Josephine Kremen, who is in charge, received her social training in New York under Dr. Edward Devine. The rates are \$2.75 to \$4 a week for board and lodging.

Whatever may be Dr. H. W. Wiley's wisdom on the pure food question he seems to have married a woman with some eccentric views. She is out in a statement that a man should pay his wife one-third of his income for her "toil for long hours in the home." The woman who thinks she can run her husband's financial affairs better than he can, ought to tell him privately and not publish her views.

The Ohio river continues to rise rapidly and the flood situation is growing very serious. The river is 42 feet at Evansville and almost stationary and falling at Cincinnati. At Hawesville, much of the bottom land above and below town is under water. The farmers are seeking to get their stock to places of safety, but much of the stock is surrounded and there are no flat boats in that country. The people in the flood district of the town are moving to the higher portions of the town.

Conflicting reports come from Mexico, but the rebels have undoubtedly won in the severe fighting around Chihuahua and the situation is so unsettled that a carload of rifles and ammunition has been sent to the American ambassador at Mexico City for the use of Americans in their defense. One report is that Gen. Aubert, the Federal leader at Torreon, has been killed by a bomb. Gen. Villa has been captured and executed and Gen. Salas is dead, it being claimed that he committed suicide.

Miss Cara Lathshaw, of Fostoria, Ohio, is the guest of Mr. and Mrs. J. W. Lawson, at their home on 13th street.

## ASHAMED OF HER FACE

"I was ashamed of my face," writes Miss Pickard of North Carolina. "It was all full of pimples and scars, but after using D. D. D. Prescription for Eczema I can say that now there is no sign of that Eczema and that was three years ago." This is but one of thousands of cases in which D. D. D. has simply washed away the skin trouble. D. D. D. cleanses the skin of the germs of Eczema, Psoriasis and other serious skin diseases; stops the itch instantly, and when used with D. D. D. soap the cure seems to be permanent. Nothing like D. D. D. for the complexion. Trial bottle 25 cents, enough to prove the merit of this wonderful remedy.

We can also give you a full size bottle for \$1.00 on our absolute guarantee that if this very first bottle fails to give you relief it will cost you nothing.

# Sick Women

When shown positive and reliable proof that a certain remedy had cured many cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble? Here are five letters from southern women which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

## LETTER FROM VIRGINIA.

Elliston, Va.—"I feel it my duty to express my thanks to you and your great medicine. I was a sufferer from female troubles and had been confined in bed over one third of my time for ten months. I could not do my housework and had fainting spells so that my husband could not leave me alone for five minutes at a time. Now I owe my health to Lydia E. Pinkham's Vegetable Compound and Blood Purifier. Whenever I see a suffering woman I want to tell her what these medicines have done for me and I will always speak a good word for them."—Mrs. ROBERT BLANKENSHIP, Elliston, Montgomery Co., Va.

## LETTER FROM LOUISIANA.

New Orleans, La.—"I was passing through the Change of Life and before I took Lydia E. Pinkham's Vegetable Compound I was troubled with hot flashes, weak and dizzy feelings, backache and irregularities. I would get up in the morning feeling tired out and not fit to do anything. Since I have been taking your Compound and Blood Purifier I feel all right. Your medicines are worth their weight in gold."—Mrs. GASTON BLONDRAU, 1541 Polymnia St., New Orleans, La.

## LETTER FROM FLORIDA.

Wauchula, Fla.—"Some time ago I wrote to you giving you my symptoms, headache, backache, bearing-down, and discomfort in walking, caused by female troubles. I got two bottles of Lydia E. Pinkham's Vegetable Compound and a package of Sanative Wash and that was all I used to make me a well woman. I am satisfied that if I had done like a good many women, and had not taken your remedies, I would have been a great sufferer. But I started in time with the right medicine and got well. It did not cost very much either. I feel that you are a friend to all women and I would rather use your remedies than have a doctor."—Mrs. MATTIE HOPKOT, Box 406, Wauchula, Florida.

## LETTER FROM WEST VIRGINIA.

Martinsburg, W. Va.—"I am glad to say that Lydia E. Pinkham's Vegetable Compound has done wonders for my mother, daughter and myself. I have told dozens of people about it and my daughter says that when she hears a girl complaining with cramps, she tells her to take your Compound."—Mrs. MARY A. HOCKENBERRY, 712 N. 3rd St., Martinsburg, W. Va.

## ANOTHER LETTER FROM VIRGINIA.

Newport News, Va.—"About five years ago I was troubled with such pains and bloating every month that I would have to go to bed. A friend told me to take Lydia E. Pinkham's Vegetable Compound and I soon found relief. The medicine strengthened me in every way and my doctor approved of my taking it. I will be glad if my testimony will help some one who is suffering from female weakness."—Mrs. W. J. BLAYTON, 1039 Hampton Ave., Newport News, Va.
